All my life I've had some one to share my deepest  
thoughts and blessings, for that I thank u.  
U said I'll be a star some day  
because of u these songs I sing today.

Now tell me dear momma,  
wut chu think about your boy today.  
Every thing I am is cause of u.  
U cleared my cloudy skys and now they're blue.  
Y siempre sere el nino aquel,  
the one that always made u smile.  
Always be there for ya.  
siempre seras la madre ideal,  
me llenas de alegria. Always be there for ya.

And even though times were rough when  
I was younger u were there to stop my hunger,  
u took it all away.  
Through tha heartaches and pain,  
u always stayed tha same, my runnings with tha law  
Against the world we fought  
I need u to forgive me, forgive me.

Now tell me dear momma,  
wut chu think about your boy today.  
Every thing I am is cause of u.  
U cleared my cloudy skys and now they're blue.  
Y siempre sere el nino aquel,  
the one that always made u smile.  
Always be there for ya.  
Y siempre seras la madre ideal,  
me llenas de alegria  
Always be there for ya.

Always, te llevo muy dentro.  
And I will never forget about chu.  
Can never repay u. No, no puedo.

Y siempre sere el nino aquel,  
the one that always made u smile.  
Always be there for you.
