Vento mas siento... Te quiero decir
Que ya tus juegos... No son para me (No!)
Sabia a no un precipo qien en mentias y por eso
cambien
Sabias que me en dias sateverme perdon y asi fue

[Bridge:]
Ya no soy igual todo cambio (Noo!)
La luz desde amor ya ser fino (Oh!)

[Coro:]
Quien loco playa, playa fa sho' (Playa fa sho')
You're dealing with a pimp, I'm a pro (Pimp, I'm a pro)
Gave you more than enough, kept you iced out you
loved it
Now that it's done no more fuss, girl I've been there
and done it

Shhh!
Shut it up!
Lemme let you know whats on my mind
Give it up! (Glve it up!)
What we had was all of waste of time (Oh my)
Mentira remedio estoy no se va' regar
Yo soy bandolero no me vaya provocar

[Bridge:]
Ya no soy igual todo cambio
La puerta desde amor y haces centro

[Coro:]
