(I'm letting go, I'm letting go)
(I'm letting go, I'm letting go)

Whyâ€™s it always circumstantial?
Never any real potential
Obvious and so sequential
It always ends the same

Holding out with all thatâ€™s in me
Is it worth all this pretending?
A story with an ugly ending
Itâ€™s never worth the pain

So right here and now
I am all in

â€™Cause Iâ€™m letting go of everything I am
(I'm letting go, I'm letting go)
And Iâ€™m holding on to everything You are
(I'm holding on, I'm holding on)

Iâ€™m letting go of everything I once was
Iâ€™m all in, Iâ€™m fallinâ€™ into Your arms again
(I'm letting go, I'm letting go)

Can we just wait out the weather?
I could stay right here forever
Got to get myself together
Real life is on the way

Call it my foregone conclusion
Iâ€™ll always welcome Your intrusion
'Cause Youâ€™re the master of my choosing
Iâ€™m all Yours

â€™Cause Iâ€™m letting go of everything I am
(I'm letting go, I'm letting go)
And Iâ€™m holding on to everything You are
(I'm holding on, I'm holding on)

Iâ€™m letting go of everything I once was
Iâ€™m all in, I'm all in, Iâ€™m fallinâ€™ into Your arms

again

This time, I'm so for real
It's time I sealed the deal
Shut down my lame appeals
I'm letting go, I'm letting go

I'll throw caution to the sky
Kiss all my fears goodbye
This time it's do or die
I'm letting go, I'm letting go

I'm letting go of everything I am
(I'm letting go, I'm letting go)
And I'm holding on to everything You are
(I'm holding on, I'm holding on)

I'm letting go of everything I once was
I'm all in, I'm all in

I'm letting go of everything I am
(I'm letting go, I'm letting go)
And I'm holding on to everything You are
(I'm holding on, I'm holding on)

I'm letting go of everything I once was
I'm all in, I'm fallin' into Your arms again

(I'm letting go, I'm letting go)
Into Your arms again
(I'm letting go, I'm letting go)
Into Your arms again

(I'm letting go, I'm letting go)
Into Your arms again
(I'm letting go, I'm letting go)
I'm all in, all in

I gotta call Bahrain, man
I gotta get Mr. Talkbox on this joint
Hello
Hey, is this Bahrain, Mr. Talkbox?
The one and only is on the phone, what up?

Hey man, this is tobyMac, how you doin'?
Drive the shit, hey
You think if I send you a track out
You can drop something on it?

Yup, just know I got you, toby
So, has it, I mean, has that rash cleared up?

Man, who told you about my rash?
