I'd heard Your name, but never seen Your face

Been touched before but never Your embrace

Had a soul to lose and the world to gain

But then You whispered my name

And I heard the truth but never from Your lips

Bought the lies of many counterfeits

Dreamed my dreams, but they were never in color

And I searched for You and many others

I was down for the count

Then I saw Your face

Just a glimpse of Your face, and my whole world changed

Then I saw Your face, and I was changed forever

Changed forever now

Then I saw Your face

One glimpse of Your face, it's a whole new game

Then I saw Your face, and I was changed forever

Yours forever now

If I could reach the stars, I could touch the sky

And if I spread my wings, I could almost fly

I had everything paper could buy

I was lost in my disguise

And if I played my role, they would feel my style

If I bought the night they would buy my smile

I've been running this game for a million miles

Believing my own lies

I was down, I was out

I was blinded by my selfish dreams

Everything ain't what it seems

From inside to out, there ain't no doubt

I been changed

NOTHING SHORT OF satisfaction

Your love caused a change reaction  
I can tell you this much I FELT your touch  
And IÃfÂçâ, -Â™ m changed

When I was down for the count, YOUR love surrounded  
me  
Blink of an eye  
I saw my destiny

Change, rearranged ÃfÂçâ, -Ãœcause I  
couldnÃfÂçâ, -Â™ t maintain  
The heart it took to even stay in the game  
One look in Your eyes even I realized  
A fellow like me had been put down to size  
To be built up in a better way, Your way  
Yahweh ainÃfÂçâ, -Â™ t about to fade  
Bombastic, ainÃfÂçâ, -Â™ t no way to mask it  
I saw Your face, and my old wayÃfÂçâ, -Â™ s blasted

IÃfÂçâ, -Â™ m Yours forever now
