Arrows... flyin' into silence
Broken pieces lyin' around
Where it went down
Water risen'... back to... silence
Quiet-ly cryin'
Wonderin' how
And look at us now
We thought our love would take the world by storm

Are we too far apart?
Two worlds among the stars?
You're gonna take a piece of my heart if you leave
So it's two separate ways, or am I too late to say
I wanna fight for what we've got
'Cause I believe
In family
In family

So are we still tryin'
Or simply survivin'
Facing these giants
The bigger they are, the harder they fall
But I'm still believin'
The dreams we been dreamin'
The hope that we built on
It's never too far, it's never too far
If we choose to turn and let these walls fall down

Are we too far apart?
Two worlds among the stars?
You're gonna take a piece of my heart if you leave
So it's two separate ways
Or am I too late to say
I wanna fight for what we've got
'Cause I believe
In family (in family)
In family (in family)
In family (in family)

Oh whoa oh, oh whoa oh
I still believe
Oh whoa oh, oh whoa oh

I still believe

That we're not too far apart
Two worlds among the stars
Don't take a piece of my heart, please don't leave
It's not too late to say
Father, show us the way
Gotta fight for what we've got
'Cause You believe
In family
In family
In family
In family
