You got me feeling so fly  
There ain't a day that goes by  
A supernatural high  
Oh my goodness - people I can't deny  
You got me feeling so fly  
You got me feeling so fly

Uh oh, here we go again  
Talking about that thing that so genuine  
Uh huh, gonna make it known  
So a freak like me get his cover blown  
Can't help but glorify my Adonai  
Gotta testify  
Uh oh, here we go again  
Talking bout His love so genuine

This ain't no fire drill  
It hits like Holyfield  
Break out your freak appeal  
You think you know the deal  
I'm gonna show you what's for real

There ain't a day that goes by  
That I'm not singing Your praise  
There ain't a day that goes by  
That I'm not lifting your name  
A supernatural high  
Your love is simply insane  
You got me feeling so fly  
You got me feeling so fly

So fly when it's You and I  
And the way we hanging in the morning time  
And it's so dope I can barely cope  
When you make my joy go and overflow  
I can't help but glorify my Adonai (my Adonai)  
It's so fly that it's blowing minds  
So fly that they can't deny

There ain't a day that goes by  
That I'm not singing Your praise  
There ain't a day that goes by

That I'm not completely amazed  
A supernatural high  
Your love is simply insane  
You got me feeling so fly

You got me  
You got me

You got me feeling so fly  
(I'm feeling so fly)  
(You got me feeling so fly)  
(I'm feeling so)  
You think you know the deal

Knock, knock  
Who's there?  
Well it's me, TMac  
Feeling fly as a kangol hat  
Insecticides can't steal this shine cuz  
The fly I feel is straight divine

This ain't no  
This ain't no fire drill  
It hits like Holyfield  
We got that freak appeal

There ain't a day that goes by  
There ain't a day that goes by  
A supernatural high  
Oh my goodness - people I can't deny  
You got me feeling so fly  
You got me feeling so fly  
You got me  
You got me  
You got me feeling so fly

Like I'm kissing the sky  
Like I'm kissing the sky  
And you can't even deny  
You got me feeling so fly  
So fly, so fly, so fly, so fly

So fly that it's blowing minds  
So fly that they can't deny

You got me feeling  
Got me feeling  
You got me feeling so  
You got me feeling  
Got me feeling  
It's all up in my flow

You got me feeling  
Got me feeling  
No matter how hard they try  
Oh no they cannot deny  
You got me feeling so fly
