Raindrops, rolling off my brim  
Streetlights, got the pavement glistening  
Touchdown, I fall into your arms  
Right where I belong, your everlasting arms  
Where would I be, without you  
I'd be packin' my bags where I'd need to stay  
I'd be chasin' every breeze that blows my way  
I've been buildin' my kingdom just to watch it fade  
Away, it's true  
That's me without you  
That's me without you  
That's me without you  
Don't know where I'd be without you  
Flashback, step into the scene  
There's you and there's a very different me  
Touchdown, you had me at believe  
You had me at believe you did  
And where would I be without you, without you  
I'd be packin' my bags where I'd need to stay  
I'd be chasin' every breeze that blows my way  
I've been buildin' my kingdom just to watch it fade  
Away, it's true  
That's me without you  
That's me without you  
That's me without you  
Don't know where I'd be without you  
Where would I be  
You rescued me, now you are mine and I am yours  
You rescued me and I am yours forever  
You saved me, remade me  
Where would I be  
I'd be packin' my bags where I'd need to stay  
I'd be chasin' every breeze that blows my way  
I've been buildin' my kingdom just to watch it fade  
Away, it's so true  
That's me without you  
That's me without you  
That's me without you  
Don't know where I'd be without you
