Woman: Joy to the world  
Let heaven and nature sing  
Let heaven and nature sing

Tobey Mac: Now Johnny never got his wish on December  
25  
That's what he said when he left the orphanage  
9 years old, but Johnny was an old soul  
Gonna spend his first Christmas in a real home  
Showed me a picture that he drew the night before  
Was a picture of a man standin' outside a door  
I asked him who it was and he said someone I only  
see in dreams  
Comforts me when I cry myself to sleep

Woman: Father of the fatherless  
Be with your sons and daughters this Christmas  
This Christmas

Tobey Mac: Believe in angels?  
Johnny asked me starin' at the sky  
I said I do and saw a sparkle in his eye  
Big brother for the weekend respondin' to the season  
Took the chance that givin's better than receivin'  
Two nights, a new family, some holiday cheer  
We laughed and sang  
Came on a midnight clear  
We gave, recieved, and as we headed to close  
We looked to the heavens and it started to snow  
Down blessings

Woman: Father of the fatherless  
Be with your sons and daughters this Christmas  
(Tobey Mac: You ain't livin' til you choose to give love  
and joy and  
peace to one of His)  
Father let us not forget  
The children who are all alone this Christmas  
(Tobey Mac: You ain't livin' til you choose to give, you  
ain't livin' til  
You choose to give)

(James 1:27)

Little Boy: Religion that God our Father  
Accepts as pure and faultless is this  
To look after orphans and widows in their distress  
Merry Christmas everyone

Woman: Joy to the world  
The Lord is come  
Let heaven and nature sing  
Let heaven and nature sing  
Let heaven and nature sing  
Let heaven and nature sing

Tobey Mac: Believe in angels Jonnie asked me starin' at  
the sky  
I said I do and saw a sparkle in his eye  
9 years old, but Jonnie was an old soul  
Gonna spend is next Christmas in a real home

Woman: Father of the fatherless  
Be with your sons and daughters this Christmas  
(Tobey Mac: You ain't livin' til you choose to give love  
and joy and  
peace to one of His)  
Father let us not forget  
The children who are all alone this Christmas  
(Tobey Mac: You ain't livin' til you choose to give, you  
ain't livin' til  
You choose to give)  
Father of the fatherless  
Be with your sons and daughters this Christmas  
Let Heaven and nature sing  
Let Heaven and nature sing  
Father let us not forget  
The children who are all alone this Christmas  
(Tobey Mac: You ain't livin' til you choose to give, you  
ain't livin' til  
You choose to give)

Tobey Mac: You ain't livin'  
You ain't livin'  
You ain't livin'

Woman: Let Heaven and Nature sing  
Let Heaven and nature sing  
(Tobey Mac: You ain't livin' til you choose to give, you  
ain't livin' til  
You choose to give)  
Don't leave me all alone  
This Christmas
