And it's the saddest song you'll sing
And I'm alone with you
your tears come down

you search your life for something new
What you found was true
But now you're gone

Ohh, youre gone
I'm waiting here for you
Ohhh, I'm alone
I'm alone

I walked the streets alone with you
Just to be with you
But now you're gone

I fell in love with foolish things
I fell away from you
And now youre gone

Ohhh, youre alone
And I'm waiting here for you
youre alone
And I'm waiting here for you
oh oh
And I'm waiting
oh oh
im alone
