Verse 1:

I see the monsters causing trouble
In my head ache again (oh ah oh) (.)
Hallucinations of a nature
making me wanna scream aloud

Wake up girl your sleepy eyes
are dripping morning sex (oh ah oh) (.)
The other night I couldn't fight
and now I want revenge, my hazy lover

Chorus:

(I just don't need it
chemical dreaming
throwing it all away) x 2
throwing it all away

These other people found the sequel
to my mistrust again (oh ah oh)

I want another life, to begin again
I want another life, to begin again
I can see the steeple,
Gonna kneel, do forgive my sins (oh ah oh) (.)

Chorus:

I just don't need it
chemical dreaming
throwing it all away
I just don't need it
I can't stop bleeding
I need a recovery
I just don't need it chemical dreaming
throwing it all away
I just don't need it, can't stop bleeding
need a recovery
I just don't need it chemical dreaming
throwing it all away
