I'm sitting here
With this drink in my hand
With that same blank stare
Just wondering where
Where's the time gone
Where have you gone
I dont know where you are

But I hope it's not very far
So I can tell you, so I can tell you

Turn the lights off
I wanna wake up on the otherside
Not knowing how or why
But knowing that I tried
With what little time
We had

Not a day goes by
that you're not
on my, on my mind
and I just cant seem to find
you

Wont you please come back
so I can tell you, so I can tell you

Turn the lights off
I wanna wake up on the other side
Not knowing how or why
But knowing that I tried
With what little time

Turn the lights off
I wanna wake up on the other side
Not knowing how or why
But knowing that I tried
With what little time
We had

If you came back

I would tell you
lets just livce our lives
and nothing more
I know you can see me
I know you can hear me
so I'll tell you, so I'll tell you

Turn the lights off
I wanna wake up on the other side
Not knowing how or why
But knowing that I tried
With what little time

Turn the lights off
I wanna wake up on the other side
Not knowing how or why
But knowing that I tried
