Be better to your baby and you'll have a better baby
Better love her before she walk out on ye
Be better to your baby and you'll have a better baby
'Cause if you don't I'll steal her love doggone ye.

And less I should forget you were the best love she can
get
'Cause if you don't she's bound to get unhappy
So be better to your baby and you'll have a better baby
And if you don't I'll steal her love by cracky.

--- Instrumental ---

Be kinder to your baby and you'll have a kinder baby
'Cause if you want her love you got to earn it
So be better to your baby and you'll have a better baby
And if you don't I'll steal her love dat burn it.

And less I should forget you were the best love she can
get
You haven't been doing that exactly
So be better to your baby and you'll have a better baby
And if you don't I'll steal her love by cracky.

Oh, if you don't I'll steal her love by cracky...
