Side by side we roll along sweetheart you and I
And to you I'll sing this song as the years go passing by
Times may be good or they're may be bad but you'll
never frown
I couldn't find a sweeter pal if I'd search the whole
world around,

Blue eyed Elaine you're the sweetest thing and I love
you so
And you'll always be the same no matter where we go
We'll travel here and we'll travel there and we'll never
part
You'll always be my blue eyed Elaine and I'll be your
sweetheart.

--- Instrumental ---

When skies are grey and things go wrong we'll never
fret nor sigh
But we'll just keep traveling on with our heads held up
high
And when I gaze into your eyes your heart and soul I'll
claim
Then you'll know the reason why I love you blue eyed
Elaine.

Blue eyed Elaine you're the sweetest thing and I love
you so
And you'll always be the same no matter where we go
We'll travel here and we'll travel there and we'll never
part
You'll always be my blue eyed Elaine and I'll be your
sweetheart.

Yes, you'll always be my blue eyed Elaine and I'll be
your sweetheart...
