(Pee Wee King - Redd Stewart)

I met a girl I loved in a town way down in Dixie
'Neath the stars above she was the sweetest girl I ever
did see
So I held her in my arms and told her of her many
charms
And kissed her while the organ played the Bonaparte's
Retreat.

All the world was bright as I held her on that night
And I heard her say please don't ever go away
So I held her in my arms and told her of her many
charms
And kissed her while the organ played the Bonaparte's
Retreat.
