(Jenny Lou Carson)

I'd trade all of my tomorrows for just one yesterday
For what good is life without the one you love
I'd trade all of my tomorrows they're worthless anyway
If my arms can't hold the one I'm dreaming of.

Just an empty world is all I have before me
I'd give anything if you were with me now
I'd trade all of my tomorrows for just one yesterday
I don't wanna live without you anyhow.

Just an empty world is all I have before me
I'd give anything if you were with me now
I'd trade all of my tomorrows for just one yesterday
I don't wanna live without you anyhow...
