(Justin Tubb)

You said goodbye and I wonder can I take it  
Or will tomorrow just be more than I can stand  
Cause if I miss you just half as much as I have loved  
you  
Then I'm gonna be a mighty lonely man.

If I cry just one tear  
For each time you made me smile  
Then I know that I'll be crying  
Like it's going out of style.

I'm, oh, so used to to loving you that I wonder  
If I'll be able to take my heart in hand  
'Cause if I miss you just half as much as I have loved  
you  
Then I'm gonna be a mighty lonely man.

Yes, I'm gonna be a mighty lonely man...
