(Roger Miller)

Well, I was born in the boomer's shack  
Bout that far from the railroad track  
Choo-choo rattled my window pane  
And the sheet iron roof told me evertime it rained.

Yea, yea, yea, yea  
Yea, yea, yea, yea  
Yea, yea, yea, yea  
It happened just that way.

--- Instrumental ---

Well, I went to a one room school  
I walked to and from this school  
I carried my lunch in a paper sack  
It was one mile over two miles back.

Yea, yea, yea, yea  
Yea, yea, yea, yea  
Yea, yea, yea, yea  
It happened just that way.

--- Instrumental ---

And my brother worked hard in the grain  
My papa drove a choo-choo train  
One sister was a righteous girl  
But the other was a woman of the world.

Yea, yea, yea, yea  
Yea, yea, yea, yea  
Yea, yea, yea, yea  
It happened just that way.

Yea, yea, yea, yea  
Yea, yea, yea, yea  
Yea, yea, yea, yea  
It happened just that way.

Yea, yea, yea, yea  
Yea, yea, yea, yea  
Yea, yea, yea, yea  
It happened just that way...
