Well, the Joneses bought a new house so we did too  
And a new car so we bought one too  
'Cause we had to keep up with the Joneses  
It was the usual thing to do.

Then the Joneses started going out on the town  
And that's when the Joneses started going down  
And we had to keep up with the Joneses  
So we started making the rounds.

Then suddenly it happened their love just fell apart  
And the Joneses aren't the same as before  
And we couldn't let the Joneses get ahead of us  
So now we aren't us anymore.

Now the Joneses are gettin' ready for the trial  
Guess we'll follow him in a single file  
But if we've got to keep up with the Joneses  
I just wish that the Joneses could smile.

I just wish that the Joneses could smile...
