(Justin Tubb)

You look to me like you just lost your best friend  
So lonely and so lost among the crowd  
I'll bet it's love that's let you all alone this way  
Just too blue to smile afraid to cry out loud.

Little Miss Lonesome  
All by your ownsome  
You're not the only one who's lonely  
'Cause I'm lonesome too.

My shoulder's here if you need one to cry one  
I know the damage hopeless love can do  
But we both need a little friend leave the sympathy  
And that should be the least that I can do for you.

Little Miss Lonesome  
All by your ownsome  
You're not the only one who's lonely  
'Cause I'm lonesome too...
