I was looking back to see if you were looking back to  
see  
If I was looking back to see if you were looking back at  
me  
You were cute as you could be standing looking back at  
me  
And it was plain to see that I'd enjoy your company.

One Sunday afternoon as I was ridin' down the street  
I met a cute little girl dressed up so neat  
And the way that she was stacked I wish I'd have me a  
Cadillac  
'Cause who's gonna notice me drivin' this model T.

I was looking back to see if you were looking back to  
see  
If I was looking back to see if you were looking back at  
me  
You were cute as you could be standing looking back at  
me  
And it was plain to see that I'd enjoy your company.

--- Instrumental ---

Now listen baby it don't matter to me  
Even in your model T you're as cute as you can be  
If you'll take me for a ride I will set close by your side  
And I'll guarantee we'll have fun on man alive.

I was looking back to see if you were looking back to  
see  
If I was looking back to see if you were looking back at  
me  
You were cute as you could be standing looking back at  
me  
And it was plain to see that I'd enjoy your company.

Oh gee, oh me

Perhaps you'd notice me if I wadn't drivin' this model T.

I was looking back to see if you were looking back to  
see

If I was looking back to see if you were looking back at  
me

You were cute as you could be standing looking back at  
me

And it was plain to see that I'd enjoy your company.

Yes, it's plain to see that I'd enjoy your company...
