(Stuart Hamblen - Jimmie Davis)

(Mary, Mary, Mary, oh, how I dream of you.)

Big brown eyes and curly hair
Oh, can't you tell that's Mary
Rosy cheeks and ruby lips
Oh, can't you tell that's Mary.

Oftimes in the evenings we'd go strolling
Hand in hand together beneath the pepper tree
And I can feel her hand in mine as I sit alone tonight
Just dreaming of the nights I spent with Mary.

Hmm (big brown eyes,) hmm (curly hair)
Can't you tell that's Mary
Hmm (rosy cheeks), hmm (ruby lips)
Ah, can't you tell that's Mary.

Oftimes in the evenings we'd go strolling
Hand in hand together beneath the pepper tree
And I can feel her hand in mine as I sit alone tonight
Just dreaming of the nights I spent with Mary...
