(Justin Tubb)

You gave me Texas and then Tennessee
You wrapped up your music and you gave it to me
The legacy you left me is more precious than gold
You've put a song in my soul.

So thanks troubadour, thanks
I know I owe so much to you
And I'll try to repay you by just carrying on
So thanks troubadour, thanks.

--- Instrumental ---

The things I learned from you have all served me
wealth
And how much I love you no word just can't tell
You taught me by doing the right things to do
So thank you for just being you.

Yes, thanks troubadour, thanks
I know I owe so much to you
And I'll try to repay you by just carrying on
So thanks troubadour, thanks.

--- Instrumental ---

A lot of your friends who have loved you so long
It's sweet to make them a part of this song
ET we miss you hope you know that we knew
(All that we owe we owe to you.)

So thanks troubadour, thanks
I know I owe so much to you
And I'll try to repay you by just carrying on
So thanks troubadour, thanks.

Yes, I'll try to repay you by just carrying on
So thanks troubadour, thanks.

Thank you Daddy...
