(Ernest Tubb)

(Try me one more try, baby, try me one more time.)

Yes, I know I've been untrue
And I have hurt you through and through
But please have a mercy on this heart of mine
Take me back and try me one more time.

Now if my darling you could see
Just what your leaving done to me
You'd know that love is still a tie that binds
Ah, take me back and try me one more time.

(Try me) huh, me (yeah, you try me) huh, me (yeah,
you.)

Now in my dreams I see your face
And it seems there's someone in my place
But does he know that you were once just mine
Ah, take me back and try me one more time.

If you'll just forgive me now
I'll make it up to you somehow
I'll promise never again to be unkind
You better take me back and try me one more time...
