When we dance together my world's in disguise
It's a fairyland tale that's come true
And when you look at me with those stars in your eyes
I could waltz across Texas with you.

Waltz across Texas with you in my arms
Waltz across Texas with you
Like a storybook ending I'm lost in your charms
And I could waltz across Texas with you.

My heartaches and troubles are just up and gone
The moment that you come in view
And with your hand in mine, dear, I could dance on and
on
I could waltz across Texas with you.

Waltz across Texas with you in my arms
Waltz across Texas with you
Like a storybook ending I'm lost in your charms
And I could waltz across Texas with you...
