It's all over now I know
Where you're concerned
But my poor heart just won't let go
Where you're concerned.

For even though you're gone
I find I think about you all the time
Guess I've got a one track mind
Where you're concerned.

Where you're concerned I've got it bad
Can't forget the love we had
Just I awake and call your name
Hopeless love will cry in shame

There's no way for me to win
Where you're concerned
Lonesome's all I've ever been
Where you're concerned.

You found a new love, set me free
He's made you happy I can see
So I guess that's the end of me
Where you're concerned.

I guess that's the end of me
Where you're concerned...
