(Justin Tubb)

I've seen the change in you darling
In just a short time I've been gone
You seem so happy without me
That I guess we should leave it alone.

That's not the way that I wanted
But I guess that's the way it should be
I'd give the whole world to come back
But you'd never be happy with me.

I'll take the blame for it darling
And I guess I'm still hurting you yet
I know you could prob'ly forgive me
But I know you could never forget.

So if you can recall any good times
Then hold them in sweet memories
And go out and find you a true love
'Cause you'd never be happy with me.

No, you'd never be happy with me...
