Love is like a rainbow
after two hundred days of rain.
It's sounds like a little sensation,
time to burning flames.
And wants to buy,
you catch for the suit,
theres nothing you can do,
it creaps into your heart and soul
that makes me dream of you.

Baby, you're my sunshine every morning
even on a cloudy day
you're my sunshine every morning
oh you take my breath away
you're my sunshine
you're my sunshine.

Since the day I've met you
it's like a rollercoaster ride
sometimes you bring me flowers
and makes me love until i cry.
Singing on the streets at night
singing all day long
it creaps into my heart and soul,
that makes me dream of you.

You're my sunshine every morning
even on a cloudy day
you're my sunshine every morning
oh you take my breath away
you're my sunshine
you're my sunshine.

You're my sunshine
you're my sunshine
you're my sunshine
