I'm in you,
So hard,
My teeth are numb,
Till I turn,
Blue!

Virgin lover,
Do what I want,
Please bend over,
Daddy's girl,
Say you mean it,
Your words, no good,
I could kill you,
Play with my cock.

The smile, I cry,
I wear for you,
I can't fly.

Dead heart inside,
My dreams have died,
I hope I score.
No end in sight,
To my fucked up life,
I can't go on.

Diablo...[x4]

*I am so lost,
I can't be found,
I need a friend.*

*This is my life,
I can't be changed.
You can't win.*
