Why am i pissing blood
I can't live i can't eat
Time has risen land of the free
It is no gift honesty
It is my life don't promise
Me shit drunk sad fuck
Live your life don't live mine
Leave me alone i don't wanna be sane
I don't wanna be saved
I don't wanna be safe leave me alone
Wait and see what you'll get
The best is yet to come there
Oughtta be truth inside honestly
I've nothing to hide you aren't
The victim you are the plague
I stand for freedom i'm not a slave
Lost away locked inside here
I stand the test of time time
Has risen land of the fake it
Is no gift honesty
