Oh, it's not right, it's not okay
The way you play those games you plaaay
Oh, honey I just want to do you right
You got me feeling like a fellow looking for a fight
And honey, if your friends keeping putting you down
'cause you're going with me (maybe you)
You just got to make up your mind
And honey, I don't give a shit about them try'na make
you quit me
But oh...

Don't mess around with my love
Don't mess around with my love
Don't you mess around with my love
Don't mess around with my love
Oh!

Oh, I don't care much for success
???
Oh, honey I just want to make you move

You should know I'm only doing this for you
You, baby, you should know that i'm only doing this for
you

And they can do their best, keep trying to dismiss me
And they can bitch behind my back, uh-uh
Cause honey, I don't give a shit about the dirty little
business
But oh...

You should know better than to mess around with my
love
Don't mess around with my love
Don't you mess around with my love
Don't mess around with my love
Don't mess around with my love
Don't mess around with my love
Don't you mess around with my love
Don't mess around with my love
Oh!

Don't leave me hangin'

Don't leave me hangin'

Don't leave me hangin'

Don't leave me hangin'
