How did I become so ordinary?
An identity lost beneath the crowd
My friend says she don't even know me
What's become of me?
I don't know myself anymore

I've given all I've got
To be everything I'm not
My philosophy is gone
And I crossed the line

I approach the day with new suspicion
It's a condition of everywhere I've been
These scars are memories behind me
They remind me I'll never be myself again

I've given all I've got
To be everything I'm not
My philosophy is gone
And I crossed the line

I'll know what I'm after
When I fix this shattered life
I'll do what my friends say
I'll be myself again

How did I become so ordinary?
An identity lost beneath the crowd
My friend says she don't even know me
What's become of me?
I don't know myself anymore

I've given all I've got
To be everything I'm not
My philosophy is gone
And I crossed the line

I'll know what I'm after
When I fix this shattered life
I'll do what my friends say
I'll be myself again

I've given all I've got
To be everything I'm not
My philosophy is gone
And I crossed the line

I'll know what I'm after
When I fix this shattered life
I'll do what my friends say
I'll be myself again

I'll know what I'm after
When I fix this shattered life
I'll do what my friends say
I'll be myself again
