Saw a girl at the fountain at my school
She was wearin' the same purple coat as you
She caught me lookin', she just turned away, yeah
So I tried not to think of your car
Or your Parliament cigarettes
Some things I will

Never forget
Never forget
Never forget
Never forget

You were my first kiss
You were my first time
I had such a hard time letting you go
For what it was worth
I hope you never hurt
For more than what it was worth
I'm gonna have a good time remembering when
We weren't so alone in the dark
And we wish we'd never met
Weeks before then

I'll never forget
Never forget
Never forget
Never forget

Funny how memory
Can shape a melody
Soundtrack to the tragedy that we both star in
So let's forget the scene
Where you cheat on me
And I say things I don't mean
We can keep the ones where we fall in love
At the Cog
At the show
Where we met
Weeks after then

I'll never forget

Never forget
Never forget
Never forget

Saw a girl at the fountain at my school
She was wearin' the same purple coat as you
She caught me lookin' but she just turned away
Forget the worst, save the best for another day

Another day
Another day
Another day
Another day
