Don't you wish that you could
Say that to my face
I think that you're a disgrace
To the friendship that we had
You threw away
Now all my songs sound cliché

Under a grey sky
I wonder who I am
And who we were and what there is to afford
Anymore

Don't you wish that you could
Say that to my face
I think you're a disgrace
To the friendship that we had
You threw away
Now all my songs sound cliché

Under a grey sky
I wonder who I am
And who we were and what there is to afford (afford)
Anymore
