Have you ever had that feeling it's too late to turn  
back?  
Its been so long since I have crossed the tracks  
I think I'll head out for the east coast, I won't know a  
single soul  
It's time to get myself under control

Like a headlight in the distance fate is coming this way  
It's about time, I'm slowly changing  
I'm never going back  
Can't handle things this way

I cant slow down anymore  
whoa--oa

Have you ever wanted freedom like passionate pill  
Can you run or does it make you ill?  
I've waited far too long and been a leach to myself  
Staying here damaging my health

Like a headlight in the distance fate is coming this way  
It's about time, I'm slowly changing  
I'm never going back  
Can't handle things this way

I cant slow down anymore  
whoa--oa
