We all know how he treats you
And what he says when you're away
You know (you know), you're not (you're not)
Ever gonna hear him say

He was wrong
He was wrong
You can't do this alone

Get on with your life
Get over this guy
You know it's not enough to try
Give up the fight
You know it's not right
Or ignore it all
Live in the lie

So many times he's up and left you
So many times you've taken him back
You know (you know), you're not (you're not)
Ever gonna hear him say

He was wrong
He was wrong
You can't do this alone

Get on with your life
Get over this guy
You know it's not enough to try
Give up the fight
You know it's not right
Or ignore it all
Live in the lie

Sometimes things get so bad you
Can't say sorry again
The time has come for you to say
Enough

He was wrong
You can't do this alone

Get on with your life
Get over this guy
You know it's not enough to try
Give up the fight
You know it's not right
Or ignore it all
Live in the lie

Get on with your life
Get on with your life
Get on with your life
