(Verse)

As I layed in bed last night
I thought about what it will be like to kiss you
The first time I saw your eyes
My mind can't erase it I already miss you

(Pre-Chorus)

Is it the way you walk or that sexy body
All of the above
So let me poke you close
I don't want nobody
Girl, I already yours

(Chorus)

Something so beautiful
It feels so incredible
And baby you're wonderful
You're something so beautiful to me

(Verse)

So sexy I know you'll like
Everything that I'm gonna do
But something about tonight
But I can't keep my hands off you

(Pre-Chorus)

Is it the way you walk or that sexy body
All of the above
So let me poke you close
I don't want nobody
Girl, I already yours

(Chorus)

Something so beautiful
It feels so incredible
And baby you're wonderful
You're something so beautiful to me

(Bridge)

Baby you don't have to wonder
You know that you're my everything

'Cause baby there ain't no other
That can do what you do to me

(Chorus x2)
Something so beautiful
It feels so incredible
And baby you're wonderful
You're something so beautiful to me
