(Verse)

I got that message that you left  
And you could hear it in your tone  
But you're missin me to death  
You wonder when I'm comin home  
I got something to confess  
Gonna find the right words to say  
Cause I don't want the regret  
Of you losing faith in me nah

(Pre-Chorus)

Not a day goes by  
That you don't cross my mind  
Uuuuh

(Chorus)

Like a club shut down and it's almost 2  
Like a day without making time for you  
Like a velvet road you can't get through  
I'll tell the world to move  
I always will have room for you

(Interlude)

Yea  
Oh yea, ah

(Verse)

When you think I'm not watchin  
Every little thing you do  
From the way you style your hair  
To the scent of your perfume  
Dream about you when you smile  
Even when you're far away  
And I love you even more today, yea

(Pre-Chorus)

Not a day goes by  
That you don't cross my mind  
Uuuuh

(Chorus)

Like a club shut down and it's almost 2  
Like a day without making time for you  
Like a velvet road you can't get through  
I'll tell the world to move  
I always will have room for you
