There's a spirit moving
All across this land.
Blowin' winds of change
People don't you understand.
Know more time for runnin'
At the devil's pace, no.
He is commandin'
That we run this race
(hook)
Whole-hearted, totally committed.
Tell me why you keep on trippin'
When there's life abundantly, life abundantly.
Love Jesus 'cause the clock is tickin'
You don't know what you'll be missin'
When He sets His children free.
(cho)
Get ready, the Lord is comin'
Get ready, no time for runnin'
Get it together, and get it right
'Cause you never know, it could be tonight
Ow, ooh, yeah
Brothers and sisters
What do you believe?
You better stand for somethin' or you'll fall for anything
And His name is Jesus
Yeah, He is the king
Don't give Him half o' nothin'
Give him all of everything.
(hook)
Whole-hearted, totally committed
Tell me why you keep on trippin'
When there's life abundantly, yeah
Love Jesus 'cause the clock is tickin'
You don't know what you'll be missin'
When He sets all others free
Hee hee
(cho)
Bridge:
A thousand years are like a day
Like a day's a thousand years
Thousand years

(oh, you be ready)
Thousand years are like a day
Like a day's a thousand years
Thousand years
(you better be ready)
A thousand years are like a day
Like a day's a thousand years
Hey
Get ready (the Lord is comin')
Get ready (there's no time, no)
Get it together, get it right
'cause you never know
It could be tonight
Say
Yeah, it could be tonight
(sing it) hey
(how long) could be tonight
