You'll never find her story in a fairy tale
'Cause she wasn't like, the other women at the well
Her life was full of pain, hurt, rejection
And loneliness she didn't want to show
But Jesus saw the desert in her soul
Chorus:
Drink from this water
Drink from this water
And you will never, you'll never thirst again
Drink from this water
Drink from this water
You will never, you'll never thirst again
Ooooh
We all search for something
To fill us up inside
But it's only an illusion
You know a True Love's hard to find
But I'm here to tell you there's one place
Your thirst is quenched for ever more
You will never leave empty disappointed
You will find what you are looking for
Chorus
And oh Jesus will meet you
At the place of every need
And only He can make the wounded whole
And make the blind man see
Chorus
Chorus
Oooohh oooh
