Yesterdays are gone  
It's a dead summer night  
Alone in the heat  
My heart is on fire  
I'm in your shadow  
By design  
The truth is a curse  
The truth burns me clean  
What's in a lie?  
Too many strings  
Tied around my heart  
"I don't want to do this anymore"  
Your words cut like diamonds  
Diamond blades across my heart  
Tonight I can't make the ends meet  
Tonight I'll embrace my fears  
Tonight I stare at these walls  
Tonight I wish I was never born
