i, defined as beaten and swollen
i, defined as sweetened and full and
would find it hard to relate to
memories with out any weight

It's not about you
It's about me this time
I know I'm ripe for a change
I know I'm ripe for a change
Still I flock to it intuitively
I'm always the same
Yeah I'm always the same
Fake fake fake
you belong
Sleep sleep sleep
so long
through war crimes, past most lives
you've been pulling your own tides
I've been oceanless for some time
I've been land locked for a long climb
