I saw the Lord seated on a throne high and exalted  
And the train of His robe filled the temple  
Above Him were angels with six mighty wings  
With two they'd cover their faces  
With two they'd cover their feet  
And with two they'd fly  
With two they'd fly and sing

And holy, holy, holy is the Lord Almighty  
And the whole earth is full of His glory  
He's glorious

An' I said, "Woe to me, I am ruined  
For I am unclean and so are all my kind  
But my eyes have seen the King  
The Lord Almighty, the Lord Almighty"

And holy, holy, holy is the Lord Almighty  
And the whole earth is full of His glory  
Holy, holy, holy is the Lord Almighty  
And the whole earth is full of His glory  
He's glorious

And an angel flew to me and he had fire in His hands  
And he put it to my lips and God took away my sin  
He took away my sin  
So we sing

Holy, holy, holy is the Lord Almighty  
And the whole earth is full of His glory  
Holy, holy, holy is the Lord Almighty  
And the whole earth is full of His glory

Holy, holy, holy is the Lord Almighty  
And the whole earth is full of His glory  
Holy, holy, holy is the Lord Almighty  
And the whole earth is full of His glory  
He's glorious

He's glorious  
You're glorious  
You're glorious

## Glorious

Holy, holy, holy is the Lord Almighty  
And the whole earth is full of His glory  
Holy, holy, holy is the Lord Almighty  
And the whole earth is full of His glory
