Only Unchanging One  
I looked for love in every single situation  
For something, someone  
That would last a lifetime, a love that never dies  
And I find

#### CHORUS

You know when I wake, when I rise, when I pray, when I  
curse You  
And You love me the same  
And You know when I stumble and fall, and You're  
there through it all  
The only unchanging one

I looked for faith on the edge of my roof  
No fear, daddy's here  
Still I struggle to trust You with the rest of my life  
When I could just fly

#### CHORUS

You know when I wake, when I rise, when I pray, when I  
curse You  
And You love me the same  
And You know when I stumble and fall, and You're  
there through it all  
The only unchanging one

I looked for God  
You know my inmost being  
You know my deepest scars  
You know my darkest secrets  
You know and You love and You love
