If ever you want to
See how much I want you
I'll give you everything
If ever you need to
See how much I need you too
Tell me that you think about me
Thinking of you
Wondering just how much I love you
I will show you once you let me through

If ever you seem to
Admit that you need me too
I'll hang on every word
If ever you start to
See how slowly you're killing me
And how deep a man can hurt
I'm falling further under every spell
You've put me under
Don't release me
Make me cry for you

Cause' every time you do
I don't want to go home
I don't want to go home
I don't want to go home
Alone

And if you don't want me
Tell me you're done with me
And I will be alright
You've kept me on a leash
So tell me your done with me
So I can sleep
Tonight I'm ready to run from you
Trying harder not to love you
I will show you once you say we're through

And every time you do
I don't want to go home
I don't want to go home
I don't want to go home

Well give me a sign
Say you don't need me
Tell me it's over
Tell me you used me
Tear me apart
Shout it out loud a lot
Tell me that this is not
A love that we have got

I don't want to go home
I don't want to go home
I don't want to go home
I don't want to go home

I don't want to go home
I don't want to go home
I don't want to go home
No I don't want to go home
Alone
