Here we go

Tell everyone that I am sorry, truly sorry  
For all the wrongs, I've done  
I never meant to hurt nobody  
Lord, I never want to do no wrong

And I have lied, I have begged and I have cheated  
And I know my ship won't be coming in  
As I lay me down to take my rest  
I see that it's just dust in the wind

Take hold my hand, hold it tighter, ever tighter  
You must believe that I love you still  
But my strength, it grows weaker, ever weaker  
And my body has lost its will

And I have lied, I have begged and I have cheated  
And I know my ship won't be coming in  
As I lay me down to take my rest  
I see that it's just dust in the wind

Oh my Lord, I have lost once again  
And I got no one to help me find my way  
But I never wanted to hurt nobody  
And I never wanted to do no wrong

And I have lied, I have begged and I have cheated  
And I know my ship won't be coming in  
As I lay me down to take my rest  
I see that it's just dust in the wind
