Can't you see?  
She don't want you around no more  
Can't you see  
That her hand's pointing at the door?

Feet don't fail me now  
How could anyone stay?  
Anyone could see  
It's time to go away

Time to take a powder  
Open up your eyes  
But it feels like my legs  
Have been paralyzed

Feet don't fail me now  
Begging, please don't make a fool of me  
Feet don't fail me now  
Please don't keep me where I should not be

Feet don't fail me now  
Stop pretending that you've gone to sleep  
Feet don't fail me now  
Begging, please don't make a fool of me

See her things  
Piled up in the hall  
Turn around  
There's a new picture on the wall

Feet don't fail me now  
We're the last ones to know  
Anyone could see  
It's time for us to go

Time to hit the highway  
Nothing left to do  
But it feels like my shoes  
Have been crazy-glued

Feet don't fail me now  
Begging, please don't make a fool of me

Feet don't fail me now  
Please don't keep me where I should not be

Feet don't fail me now  
Stop pretending that you've gone to sleep  
Feet don't fail me now  
Begging, please don't make a fool of me

Feet don't fail me now  
How could anyone stay?  
Anyone could see  
It's time to go away

Time to take a powder  
Open up your eyes  
But it feels like my legs  
Have been paralyzed

Feet don't fail me now  
Begging, please don't make a fool of me  
Feet don't fail me now  
Please don't keep me where I should not be

Feet don't fail me now  
Stop pretending that you've gone to sleep  
Feet don't fail me now  
Begging, please don't make a fool of me  
Don't make a fool of me
