Maybe I think too much but some thing's wrong  
There's something here that doesn't last too long  
Maybe I shouldn't think of you as mine

Seeing you or seeing anything as much as I do you  
I take for granted that you're always there  
I take for granted that you just don't care  
Sometimes, I can't help seeing all the way through

It's important to me that you know you are free  
'Cause I never want to make you change for me

Think of me, you know that I'd be with you if I could  
I'll come around to see you once in a while  
Or if I ever need a reason to smile  
And spend the night if you think I should

It's important to me that you know you are free  
'Cause I never want to make you change for me

Think of me, you know that I'd be with you if I could  
I'll come around to see you once in a while, yes I will  
Or if I ever need a reason to smile  
And spend the night if you think I should

Think of me  
Think of me  
Think of me  
...
