I've been watching how you dance  
Watching how you smile  
Watching how you carry yourself around in a crowd  
And watching what you say  
You've got something that's a secret to the average  
eye  
You've been saving something nobody's seen until now  
In a hideaway  
I'm not trying to invade your privacy  
There are things you have a right to hide  
But it's oh so cold  
Standing on the outside

Will you take me to your secret hideaway  
I won't tell nobody where I'm going  
Won't you tell me that we're leaving right away  
For the heart of your hideaway

Everybody's looking for a heaven on earth  
A slice of paradise where nobody gets hurt  
Someone to put the pieces back together again  
When your daydreams die  
Are you trying to get a message through the air to me?  
Get me on your wavelength and tell me which way to  
go  
To your hideaway  
I can't stand another second in this tinker-toy world  
Give me your direction  
Don't make me wait anymore  
It seems so far away

You can trust me with your secret fantasy  
You will never know until you've tried  
But it's oh so cold  
Standing on the outside

I've been trying to get a message  
Through the air to you  
Get on my wavelength  
And I'll tell you which way to go  
To my hideaway

I will show you to my secret hideaway  
We will tell nobody where we're going
