Name your price and take it to paradise
I can't stay here any more
And I've looked high and low

I've been from shore to shore to shore
If there's a short cut, I'd have found it
But there's no easy way around it

Light of the world, shine on me
Love is the answer
Shine on us all, set us free
Love is the answer

Who knows why someday we all must die
We're all homeless boys and girls
And we are never heard

It's such a lonely, lonely, lonely, lonely world
People turn their heads and walk on by
Tell me, is it worth just another try?

Light of the world, shine on me
Love is the answer
Let it shine, shine on us all, set us free
Love is the answer
I know the answer is love

Tell me, are we alive or just a dying planet?
What are the chances?
Ask the man in your heart for the answers

And when you feel afraid
(Love one another)
When you've lost your way
(Love one another)

When you're all alone
(Love one another)
When you're far from home
(Love one another)

When you're down and out

(Love one another)
All your hope's run out
(Love one another)

When you need a friend
(Love one another)
When you're near the end, love
We got to love, we got to love one another

Light of the world, you got to shine
Love will be a means, yeah, yeah, yeah
Shine on us all
Know that love can save the day

Just give it just one more chance
Love, love, love, love, ooh
Lord, you just can't let it stop, Lord

Love is the answer
Love is the answer
Love is the answer
Love is the answer, yeah

Got to live free to let love into your life
