Marlene, Marlene
You're the prettiest girl I've ever seen
Do you care for me at all, Marlene, I care for you
And I just don't care who knows it
And I guess that means that I love you

Marlene, Marlene
Who'd believe that you're only seventeen
I'm in trouble if your folks get mean
And if they do, then I don't care if they bust me
And I guess that means that I love you

I don't need no fantasies, just one thing I need
If you could make it here, Marlene

Dear Marlene, Marlene
When I think that it all is just a dream
I remember that your eyes are green and mine are blue
Then they will always see each other
And I guess that means that I love you

I don't need realities, just one thing I need
If you could make it here Marlene

Dear Marlene, Marlene
Marlene, I'm depending on you now
Marlene

I'm depending on you now
Marlene
I'm depending on you now
Marlene

I'm depending on you now
Marlene
I'm depending on you now
Marlene
